Key Herbs

Kalmegh

Kalmegh extract obtained from the plant has several therapeutical properties such as: immunological, antithrombotic, antityphoid, antimalarial, antibiotic, anti-thrombogenic, anti-snake venom, antihepatotoxic, and anti-inflammatory.

Arjun Chhal

Arjuna helps control diarrhea, asthma and cough. External application of Arjuna chaal helps manage various skin disorders like eczema, psoriasis, itching and rashes.

Haritaki

Haritaki is a magical remedy that holds high significance in treating countless health problems including indigestion, gastritis, lung disease, obesity, impotence, cough, cold, asthma, vision defects, urinary tract infections and hair, and skin problems.

Guduchi

Guduchi is known in Ayurvedic medicine for the power to detoxify, rejuvenate, boost the immune system, and more
