## GIVE YOURSELF A BOOST OF ENERGY WITH

### ZINGS ZINGS VITAMIN

Net. Wt. 3 x 35 gm.

<u>Jssai</u>

#### **INGREDIENTS**

DEXTROSE 17.5 gm. & Sucrose 14 gm.

One dose (35 gm) of VITAMALL-Z provides 126 kcals which is 1/8th of the daily requirement of calories from carbohydrates.

Dextrose readily gets assimilated and emits energy to overcome tiredness.

ZINC SULPHATE 32.5 mg. One dose (35 gm) of VITAMALL-Z provides 7.5 mg. of Elemental Zinc, Which is half of the daily dietary requirement. Zinc is a vital element for Nucleic Acid synthesis, healing of wounds and transfer of energy. Zinc also improves taste faculty and thus increases desire for food during convalescence.

ASCORBIC ACID (VITAMIN-C) 40 mg. One dose (35 gm) of VITAMALL-Z provides 40 mg. of this important water soluble vitamin, which is the daily dietary requirement. Ascorbic Acid helps adjust against stresses and strains, augments antibody formulation and improves phagocytosis, leading to increased resistance to infections.

**DO NOT ADD SUGAR** 

Net. Wt. 3 x 35 gm

### **INDICATION**

Helps in hydrating the body

Revitalizes and provides energy required by the body

Acts as a fresh and revitalizing beverage for the body
